

# ADVENTures Day

March 17, 2010

**Instructors:** Natalie Brubaker, Filipe Miranda, Uma Shanmugham

**Grades:** ECC-6<sup>th</sup>

**Dates:** March 17, 2010

**Times:** 8:15-6pm

**Cost:** \$75 per day

Where does our food come from? What grows in Boston? We will spend the morning discussing what it takes to plan a vegetable garden. What would we need to think about if we were to plant a garden of our own? Mr. Anastos will lead us in a garden art project in the morning, and afterwards we will head to the Public Garden with Ms. Towle and Mr. Geneus. In the afternoon, students will have the opportunity to plant their own container garden. Join us for a day of planting and fun in preparation for spring!

If you would like to sign your child up for this program please fill out the registration form below and drop it off at the front desk with your total payment by March 12<sup>th</sup>. Checks can be made payable to The Advent School.

Space is limited to 25 students on a first come, first serve basis.
